

Health, Safety, Environmental, and Quality Policy Statement

Infinity Offshore (IOPL) strives to be a leader in the fields of Project Management, Engineering Design, Procurement, Fabrication, Construction & Installation for Offshore Industries in the oil & gas, civil infrastructure and renewable energy sectors in Australasia, whilst reducing risks to the health and safety of people and the environment throughout all its operations to as low as reasonably practicable.

IOPL is committed to:

- Providing a healthy and safe workplace for all employees
- Minimising the risk of environmental harm from operations
- Promoting ownership and accountability of health, safety and environment performance for all employees and contractors
- Delivering 'fit-for-purpose' solutions
- Ensuring compliance with all applicable acts, legislation, codes, standards, and specifications
- Adopting and complying with client HSEQ requirement where applicable
- Continually improve the HSEQ management system
